

# LAGC Performer Rules

These rules are for your protection, and to help you make money safely

1. You must be over 18 years of age, or the equivalent age of maturity in the jurisdiction in which you reside. There are no exceptions.
2. You must submit genuine photo ID and complete and sign the LAGC Age Verification document and be APPROVED by Site admin before you may appear on any camera whatsoever. No exceptions.
3. Do not solicit for escort, prostitution or outside contact with customers
4. Do not show content that is overly explicit in 'Free Chat'. There are two main reasons for this, firstly the people in free chat may be children under the age of 18, and secondly, if you show too much in free chat, nobody will take you private. You can tease, but if you want to make any money, save the nudity for PRIVATE Shows. Guys with credits don't need to see for free first. Trust us on that!
5. Do not give out personal information about yourself or another performer in FREE CHAT. This includes but is not limited to emails, addresses, telephone numbers, account numbers, online chat IDs etc.
6. Do not contact people who give their chat ids, email addresses or cell phone numbers etc in FREE CHAT. Remember that these people have not purchased time with a credit card and so in the event that their intentions are not good nobody knows who they are. Ask yourself why anybody who genuinely likes you and wants to help you would not be prepared to show you they were serious by talking with you in PRIVATE. Is the possibility of getting money direct from one customer worth losing your job and the chance to get money from hundreds?
7. In PRIVATE CHAT, please think VERY carefully about the risks of giving personal information to people you don't know and make sure that anybody who asks you for such information is genuine enough to take time to know you safely on site FIRST.
8. Do not ever allow ANYBODY under the age of 18 on cam for whatever reason. There are no circumstances where this would be acceptable. This is very strictly prohibited and will result in instant termination.
9. In addition, ALL persons appearing on your cam at any time must have all the legal documents on file at our offices. This includes EVERYBODY nude or not. There is no exception to this rule.
10. Do not make derogatory statements about other performers or customers either in free chat or in private sessions. You do not know who you are talking to, and so should always be careful.
11. Do not leave your camera logged on and pointing at an empty room all day. Not only will that annoy us but will also lose you potential customers, who may not come back. It is ok to leave the camera on, for short periods of break but log off if you will be absent more than 15 to 30 minutes.
12. Do not engage in role playing depicting underage sex, rape, incest, or bestiality (sex with animals). Do not even show a cat or dog or other pet on screen.
13. Do not speak other languages in free chat. If customers wish to speak to you in your own or another language, ask them to take you in private. The reason for this

- is that to people who don't speak your language, it can look like that you are speaking with a boyfriend or husband, and this will NOT help you make money.
14. We do not want you to have to deal with rude or offensive people, so we give you facility to kick or ban rude visitors from your chat room. Please do not abuse this feature. If you have any problems with people let support know and we will deal with them for you.
  15. The site you are working at is [www.liveasiangirlcams.com](http://www.liveasiangirlcams.com) You are not permitted to promote or advertise any other website, or service whether commercial or personal.
  16. You are not an employee of [liveasiangirlcams.com](http://liveasiangirlcams.com) and have not been hired to work here, nor are you being paid as an employee.
